The new fantasy action RPG by the original creators of Tales of Zestiria and Tales of Berseria, formerly codenamed Elden Ring Crack Keygen. Rise, as one of the faction leaders of the Fallen Kingdom, in the Lands Between. Enter the Fallen Kingdom, and witness the endless drama in this world! Here are some more of the features of Tales of the Gods: The Tales of Heroes:

- An Endless World with a Variety of Content A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment.
- Through Shared Content, You Will Understand the Story of the Fallen Kingdom A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between.
- Asynchronous Online Play that Loosely Connects You to Others In addition to

---

multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.

- Play as a Hero of the Story In addition to playing as a hero of the story, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic.
- A Shout-out to Tales of As you play as a leader of the Elden Ring in the Lands Between, you will also be able to experience all of the characters of the Tales of series.
- A New Action-RPG Experience You can choose from a variety of action-RPG battle elements, including parrying special moves, dodging, heavy attacks, and evading. You can freely customize your battle style, including adding new evasive moves and special techniques.

**ENJOY THE INTRODUCTION OF THE NEW TIER** In Tales of the Gods: The Tales of Heroes, we're introducing the new game mode,

---

“New Game +,” which makes it possible to enjoy a seamless new game after the battle is completed. □New Game + In New Game +, battles have no resets, and you will not lose EXP or items that were acquired in previous battles. If you defeat a boss, you will also receive a reward. □Custom

## **Version 4.0 FINAL**

### **Final Change Log**

- Within the combat calculation during the timer was corrected. Prior to this change, in which process of attack and defense, the time during which the timer is not equal to 0 was added as a certain value. This change, which is added as an observation, was made so that after modifying the settings of both attack and defense, the opponent's breathing technique has been slightly influenced.
- As described above, adjustment was made so that in the opening scene of the game was slightly influenced. Please note that this is the final adjustment, and as such, after you start the game, please adjust the course and size of the game.
- Adjusted the capacity of the dialogue in the first installment of the game. Please try to adjust the course of the dialogue such that you are able to play the game smoothly. Thus, the dialogue was slightly adjusted so that you may be able to change the dialogue in the various states properly.
- The settings for making the password change function during the game was adjusted. Thus, for example, in

---

the game to perform the action related to the main story, you will need to reset the game password or input the password stored in the PASSWORD FILE. Please make sure that you do not note the data if you do not reset the password.

- Added dialogue units referring to the items used for transmutation to the dialogues. When the setting of the items for transmutation is not available, this dialogue appears.
